MEMORANDUM FOR:

[redacted]
Coordinator for Academic Relations and
External Analytical Support, NFAC

SUBJECT : Request for IC/FAR Research Project
Information for Second Quarter FY 1978

1. [redacted] In accordance with your request, you will find the research summaries (Form DS-1728) on those projects in ORD which we feel fall within the area of "research in foreign affairs"-- that is, by the wildest stretch of our imagination, these projects could be considered research in those areas.

2. [redacted] Although I am aware that your due date on this material has long since past, it is precisely this uncertainty on our part that these or similar programs conducted by ORD would fall under the State Department cognizance that caused the delay. Nevertheless, after considerable discussion at the DD/S&T level, it was agreed that we would do our best to comply, and the programs included in the attachment were selected as being most relevant to your request.

3. [redacted] I hope that this is not too late to be useful to you and I apologize for the delay. If I can be of any further service, please contact me on extension [redacted]

Deputy Director
of
Research and Development
